Dear Parents

Re: Food council

At Widewell we are always keen to involve parents in school life and to get your opinions on different matters. As Design and Technology coordinator, I am in the process of setting up a Food Council with the aim to promote healthy eating and examine the food offered in school. The Food Council will be made up of children, kitchen staff, the business manager and me. I would also like some parent representatives on the Food Council who can put forward parental views and are keen to help with this important matter.

The Food Council will meet monthly on a Wednesday afternoon for around an hour. Each month we will have a different item on the agenda, these will include:

- assisting in the setting of the new menu for school dinners
- looking at ways the children's eating can be improved
- enthusing the children with new foods and tastes
- making the dining experience better at lunchtime.

If you would like to be considered for the Food Council, please fill in the slip below or email the school at widewell.primary.school@plymouth.gov.uk to express an interest. If you have had this letter emailed to you and you would like a paper copy, please come and ask at the office. To receive more information or to speak to me further about this, please do not hesitate to come and see me.

Kind regards

Mrs Gifford

☐ I am interested in being on the Food Council.
