Dear Parents and Carers

Thank you to everyone who completed the **parent questionnaire** forms last week at the parents evenings. I am hoping to be able to share the results with you in the next newsletter and they will be used to inform part of the new school improvement plan.

As a school we are visited every month by the **Education Welfare Officer**, Jackie Seymour and have to account for all **absences** and **lateness** marks in the registers. In addition to the fact that we need to know children are on the premises, it is important that we have a valid reason for any lateness which is why the admin team ask for it to be recorded when children are brought in. I understand some people have been refusing to do this and I hope this explanation will help you to realise we are not being difficult, we just have to account for our attendance data on a regular basis. If anyone still feels strongly against this, please make an appointment to see me so we can discuss the matter further.

There are many opportunities for you to come into school this term, most of which have been listed in the blue **Key Dates** column on each newsletter. In addition the **WPTA** are holding their **Christmas Fayre on 25th November** and their **Christmas Movie night on 1st December**. If you haven't received any information about these events please contact a member of the WPTA or the school office.

The **school choir** are going to be very busy over the next few weeks as they are singing in the **City Centre on Thursday 17th November** at 4pm for the turning on of the Christmas lights and at the **Lord Mayor's Carol Concert on Friday 9th December**. Look out for photos of the children at these events and more in future newsletters this term.

Kind regards,

*CL Payne*

## The Silver Healthy Child Quality Mark

Michael House came into school this week to present us with the Silver Healthy Child Quality Mark. We were very proud to achieve the award and for all the things we are doing in school to ensure the children are healthy and lead active lifestyles. The school are now going to work towards the Gold award, so if there are any keen gardeners who would like to be involved in setting up and running a community garden, please contact Mrs Gifford.

Year 6 boys at the Dance Workshop

Evie Ralphs and Erin Roddis made tremendous cakes for the final of the Poppy Bake Off and represented the school brilliantly. Although they did not win, they should be very proud of themselves getting this far and helping to make the Royal British Legion event a success.

## Message from the governors

At the end of the Summer term, Andrea Carlisle stood down as a Governor. The governors would like to thank Andrea for her contribution to the school over a number of years. Andrea's contribution will be missed, she was a parent Governor & also had served as Chair of Governors.

## A message from Jackie Carter the new Governor

I have worked for many years as an area manager with services who support vulnerable adults with mental health and learning difficulties, with part of my job role covering safeguarding.

I am married, with grown up children and enjoy spending family time with grandchildren. My interests include supporting the Special Olympics Plymouth group and I am a long serving member of Plymouth Mayflower Rotary Club.

School governance is a new challenge and I recognise the need and give assurance the safeguarding role I undertake will be met ensuring the best interest of pupils and school as a whole.

## Children in Need

Children in Need is on Friday 18th November and children are invited to come to school in mufti with a spotty theme. We are hoping to make a ten pence piece trail around the infant playground on the day so please save your ten pence coins.

Our school recipe collection will also be on sale after school. If you have a favourite family recipe please send it into school as soon as possible so that we can include it in our booklet.

We are hoping to sort and update our reading scheme books next week. These are the books with a coloured sticker on the spine. Could we ask that ALL reading scheme books are returned as soon as possible. We hope to get them back quickly. In the meantime, please continue to listen to your child read. They should have a library book but see your child's teacher if you need something else.
