

Head Lice

We have had several reported cases of head lice in school. Please would all parents thoroughly check their children's hair and treat if necessary.

If you require advice on how to treat this condition please either contact the school office or ask at your local pharmacy.

Parking

When dropping off and collecting children from school, could you please ensure that you do **not** park on both sides of the road, this is dangerous for other car users and also for children trying to cross the road.
