Dear Parents and Carers

As we come to the end of another very busy term, I would like to thank you all for your support so far this year. Many visitors to the school comment on how great it feels to be here and what a pleasure it is to go around and see what everyone is doing in their classes—and I completely agree with them! Your children are working hard and visibly support each other around the school which is fantastic to see. They are currently helping each other in the hall as they make their Christingles ready for the service, with Y6 having worked exceptionally well with the Nursery children and Y5 just about to support the Foundation children!

I would also like to thank everyone who has helped the school in some way this term and especially the WPTA who have raised almost £1000 for the school in the past 4 months. I know they have more activities planned for the rest of the year so watch out for their announcements on their Facebook page or through the usual school communication channels.

Finally, I would like to wish you all a very happy and healthy Christmas and look forward to working with you in the new year.

Kind regards,

CL Pyne

Year 5 and 6 Football events

It has been a very busy time for our year 5 and 5 football squad this term. They have been playing in the Plymouth 6-a-side league held at GOALS every three weeks. Fixtures have been played against Stuart Road, Montpellier, St Paul's and Creative Arts schools, with results being won one, drawn one and lost two.

They participated in a tournament held at Tor Bridge High School against other Tor Bridge Family schools. The squad were split into 'A' and 'B' teams and played brilliantly in the wind and rain against difficult opposition. At the end of the event, the 'A' team finished second and the 'B' sixth. Well done to all our footballers for their teamwork this term.
