

Dear Parents and Carers

Firstly, a very big thank you to everyone who completed the parent questionnaire before and during half term. The results and comments are overwhelmingly positive and I will collate all of the information to share with you before the end of term.

I would also like to thank the WPFA members and everyone who helped at the Fancy Dress discos last night. The new lights looked amazing and the sound system worked a treat with the playlists we had put together for the children.

As you are very probably aware, there is going to be a general election on Thursday 12<sup>th</sup> December. The school, like many others around the country, is used as a polling station for every election because it is the only publicly owned building in the immediate local area. I have not yet been contacted by the council but am expecting to receive a letter shortly letting us know that the school building is required once again. As many of you will know, we have tried to stay open during past elections but, due to safeguarding concerns, are not able to do so while the school is freely open to the public. I will contact you all as soon as I hear from the council but please expect the school to be closed for the day. I will also let you know of alternative arrangements for our Christmas Dinner day which was due to be on the 12<sup>th</sup>.

Please keep checking the dates on the newsletter, as we try to add things as they are planned so it is frequently changing despite looking the same in each edition. We do have a few copies of the school calendar available in the school office which have as many events as I could think of already marked on for you if you would find that useful. These are only £1 each.

There are lots of opportunities for you to come into school this term and I look forward to seeing you at some of them.

Kind regards,

Claire Prynn
