

Dear Parents and Carers

I hope everyone who came enjoyed the Infant Nativity this week, it was a super ending to a very busy term. I am delighted to let you know we have added over £200 from the performances to some money collected at Harvest and are able to donate £254.69 to the Devon and Cornwall Food Action charity that we are supporting this year. Thank you to everyone who was able to make a donation as every penny will go to supporting families in Plymouth, including some of our own.

We have had another busy year this year with the choir singing at a number of events around the city, including with the African Children's Choir back in January, at the Pavilions in March as well as in the city centre and St Andrew's church this term.

We were once again awarded the Gold School Games Award for our PE and sporting provision and our after school clubs give one of the most varied offers in the city, which is fantastic considering the size of our school in comparison to many others. This is only possible because of the willingness of the staff here to give their time freely for the benefit of the children and I would like to thank them all for their continuous support and hard work.

The children have all been involved in various performances this year, with Y3, Y4 and Y5 (our current Y4, Y5 and Y6) giving us their fantastic 'Time Lord' production in March, last year's Y6 hosting a community Easter breakfast and putting on their own Leaver's Play before they left in July. Every class has also put on their own assembly to show their parents what they have been learning about in class and we are looking forward to more of those next term. Ending the year with 'Everyone Loves a Baby' has been the perfect way to end this term in a very festive state of mind.

The school is currently smelling very festive as the children make their Christingles in the hall ready for the service tomorrow. Please come in to the hall after drop off in the morning for a tea or coffee, or just to keep warm and dry, if you are able to walk down to the church with the children. Any extra pairs of eyes and hands will be very welcome, particularly as we cross the roads on the way.

I hope to see lots of you tomorrow, if you are able to make it to the service, but would like to take this opportunity to wish everyone a very happy and healthy holiday and we look forward to working with you again in the new year.

Kind regards,

Claire Prynne
