Dear Parents and Carers

Thank you to everyone who came to support the children as we completed the junior races from Sports Day yesterday afternoon. Thankfully the sun shone and all of the children were amazing!

Congratulations and thank you to all of the children who represented the school at the recent Brickfields athletics event and the Field Gun tournament at the weekend. I am always so proud of the way our children behave as well as the way they perform. It's also very nice to have some more trophies for the shelves in the entrance to the school! Well done to all the children involved.

I would also like to congratulate Shea and Harrison, who represented the school at the Times Tables Rock Stars red carpet event yesterday. The boys did really well and, once again, were a credit to the school. Thank you boys!

As we are getting so close to the end of the year, it's amnesty time in school once again! Could you all please look at home for anything that belongs in school. We are missing borrowed PE kit, library books and reading books and would very much appreciate them being returned in time to be sorted before the holidays begin.

I hope you all received my email about dates and events between now and the end of term. If you missed it, please contact the school office and they can send home a paper copy for you so you have all of the dates to hand. I've also added more of the key dates to the blue column opposite. Early next term I will be creating another school calendar with as many school dates on as possible and these will be available again for £1 just to cover the cost of the photocopying.

I look forward to seeing you around school before the end of term,

CL Pyne

Archery Event

Five year six children went to Old Priory Junior Academy for an Archery Event. They had a fantastic time learning some new skills, compete against each other, showing self belief and determination. The challenge was to score as many points as possible and we came fifth out of seven schools. Well done to Kiara, Tiana, Amelie, Brodyn and Isabel S.

New leadership, bespoke curriculum for boys, new dedicated pastoral team, central local on major bus routes, new teachers, focus on extracurricular sports and enrichment opportunities.

Holiday Programme at Hydronauts Swim School

Hydronauts Swim School at Plymouth College, are offering the opportunity to enrol in the upcoming Holiday Programme.

We've not offered holiday swimming in the past and this new offering has proven to be very popular during the last half term break, we've now decided to run another holiday programme from the 29th July to 2nd August from 4.00pm to 8.00pm.

These lessons are all private 1 to 1 taught, which gives maximum focus and fantastic results. How it works, you choose a time slot, for example 5.30pm, and this is your private time slot for 5 consecutive days from Monday to Friday, which gives the swimmer a huge boost by having these consecutive lessons. The lessons are either 15minutes or 30minutes in duration costing either £45 or £90 for the week of lessons, depending on whether you've chosen to take a 15min or 30min lesson.

For more information please contact:
