Dear Parents and Carers

As this is the last newsletter for the year I would like to thank you all for your support over the past 12 months. We have had an eventful and successful year with our fantastic Infant Nativity, Y3, 4, and 5's Darwin Rocks! show and wins at football, Brickfields and with our Field Gun team. We have tried to offer the children a wealth of different opportunities again this year and have seen classes going out to look at robotics and the university and City College; history at Buckland Abbey; life skills at Bull Point; conservation and pollution at the aquarium; and of course the whole school trip to Dartmoor. We are looking at our curriculum offer in September to ensure we provide a wide range of activities for your children again next year.

We have also raised money for the African Children's Choir as our whole school charity this year and hope to present them with a cheque in January 2019 when our choir will hopefully have the chance to perform with them again. Look out for more information next term. Next year we will be supporting the Behçet's Syndrome Society.

We have invited parents and carer in many times this year and hope you have enjoyed those events you have been able to attend. Tomorrow sees our Summer fair taking place on the school playground from 3pm onwards. If you are not able to get here for 3pm your children will stay in class until you arrive or until 3:30pm as normal. I hope to see many of you there.

Wishing you a very happy and healthy summer,

## Library Books

As we arrive at the end of the school year, could you start to have a look for any school books that may have become lost around the house. We are missing several library books so there will be an amnesty for all late returns. No questions asked!
