Dear Parents and Carers

Thank you so much for your patience if you who were able to attend Sports Day yesterday. We try to anticipate the weather and plan accordingly but were really caught out in the morning. Thank you for staying with us and persevering as we sorted out an alternative plan for the afternoon. I would also like to thank Mr Hilling, Mrs Turner and all of the staff for their hard work and support to make the day a success. I would also like to thank the WPFA who supported with the refreshments and thanks to everyone who donated cakes.

I am looking forward to travelling to Portsmouth this weekend, as our Field Gun Crew are doing a demonstration run against Stowford School as part of the D-Day commemorations on the sea-front. This is an amazing opportunity for the children to be involved in such a historic event and hopefully we may have some film footage of the event to share with the school in the next few weeks.

Y6 have started organising the Summer Fair for this year and are holding it after school on Friday 5th July so please put this date in your diaries and support Y6 in their enterprise. They will be designing their own stalls for the event but if you know of anyone who would like a stall please let Mrs Holder know as Y6 will also be selling tables for crafters to sell their own goods on the day.

I have also added our Open Afternoon onto the key dates list opposite, which is an opportunity for you to come in and see the work your children have been doing over the whole year and to ask any questions you might have about their end of term reports which you will receive on Friday 12th July.

Kind regards,
