6.1.22—18.2.22

28.2.22—8.4.22

26.4.22—27.5.22

6.6.22—22.7.22

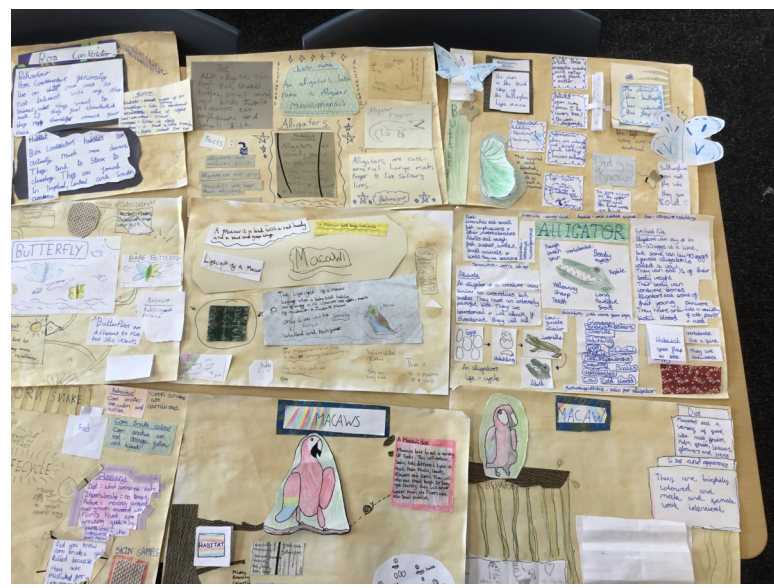

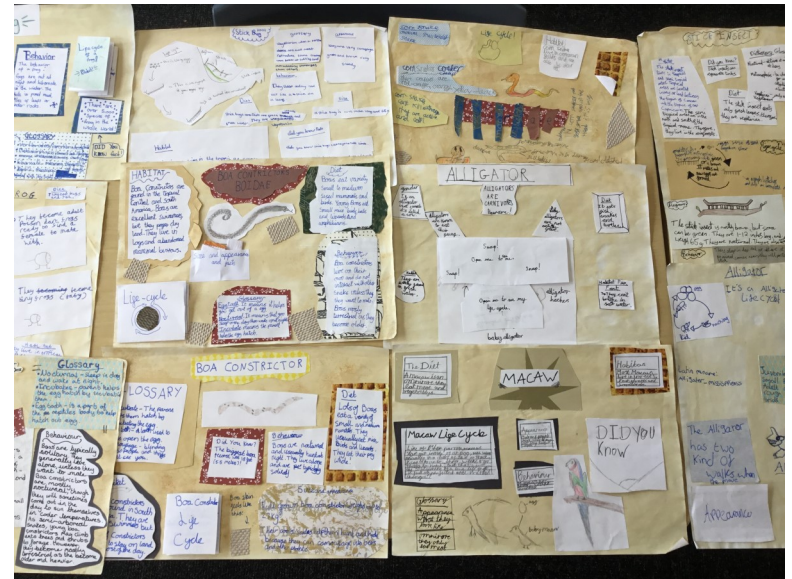

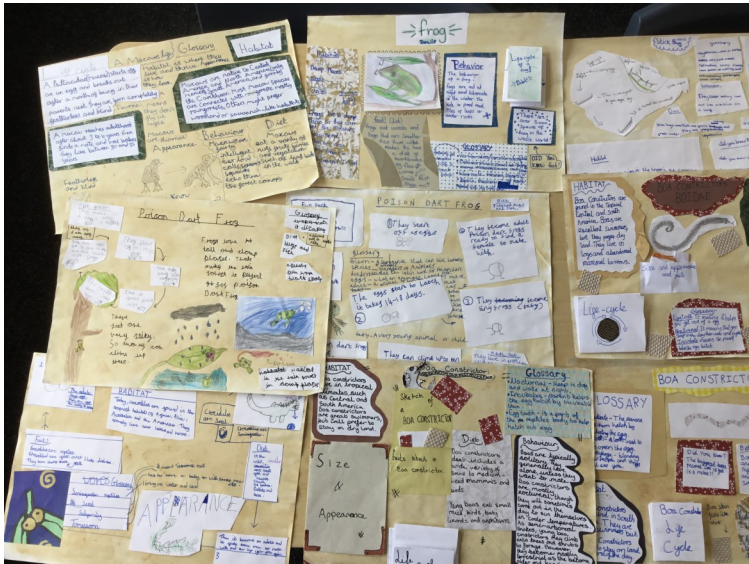

Year 6 children have been investigating light as part of their science topic. They planned and carried out their investigation and then presented their data in tables and graphs.

Year 5 have been taking part in the Innocent big grow project and already have radishes, beetroot, salad leaves and peas starting to grow.

Also within English they have demonstrated their skills by writing detailed reports on animals.

Four Year 3 and four Year 4 children went to Brickfields to take part in a Quadkids event. They did 50m sprint, 400m run, standing long jump, vortex throw and finished with 8x50m relay. They were very excited to be taking part after such a long time of no events! (They came 5th out of 7)

The new MUGA is now being used by our children. Year 6 were the first to experience PE on the MUGA.

Plymouth Leander swimming trials

Is your child aged 6-9, Years 1– 4?
Can they swim 25m Freestyle, Backstroke, Breaststroke and perform a Dolphin Kick, reached stage 7 and above?

Then come and join our junior programme.

To book a trial or to find out more information email:
enquiries@plymouthleander.com
