20.4.21—28.5.21

7.6.21—20.7.21

Nursery had a visit from the fire department

Nursery taking part in science experiments using vinegar and baking powder!

Weekly cup winners

School Money

Just a reminder that breakfast and after school clubs need to be booked and paid for online through the new school money system. Dinners also need to be paid for in advance. Any problems please contact the school office.

The Military Kids Choir

The Military Kids Choir is part of MKC Heroes. We meet on Wednesdays, in Plymouth Guildhall from 5-5.45pm, to sing together and have fun as a team. We perform at events all over Plymouth and help charities to raise money.

The choir is free to join and parents/carers can drop off for practices or can stay for a tea or coffee.

To find out more, contact MKC Heroes by emailing heather.ogburn@plymouth.gov.uk or call Heather on 307445 or 779657

Design an eco friendly space for school

If you would like to enter the competition below, please bring all entries to Mrs Holder by Monday 20th January.

Let your eco-warriors take the lead in our tree planting competition and be in with the chance to win 300 trees to bring their idea to life!

Create an eco-friendly design for the school grounds. It could be an idea for a wildlife, sensory or mindfulness garden, a Forest School area, mini beast trail or even a wild-life-friendly vegetable plot. The opportunities are endless.

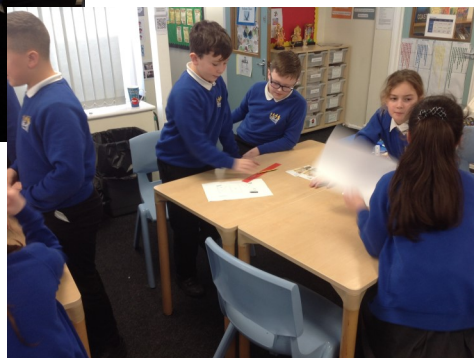

Pupils can design a garden from scratch or maintain and improve existing outdoor spaces. All designs should make use of the 300 trees or hedgerows to be awarded to the winning school, whilst also using natural and recycled resources in a sustainable way to encourage wildlife and biodiversity.

Pupils should consider the positive contribution the space will make to the school and the local environment. It's a great way to get the whole school community engaged in green issues!

Entries should aim to combine sustainability, originality, resourcefulness and learning. If you haven't got space to incorporate 300 trees into your space, you can donate 150 of the trees to another local school or community area.

Year 5 and 6

Year 5 and 6 launched their topic with some chocolate tasting and a game about World Trade - they are looking forward to learning all about the South American continent and comparing it to our locality.

Labelling Clothes

Could you please ensure all school uniform is clearly labelled with your child's name to try and cut down on the amount of lost property in school.

Parking

Just a reminder to not park on the zig zags or across drives when you are collecting and dropping off each day.
