

## Year 6 Homework card – Summer Term 1

Every week:

### Reading

To support your child's reading please enjoy a **minimum of 5 reads a week**. Children are to record this in their reading record. Reading records will be checked on a Friday, but we expect children to bring them to school every day.

**Spellings:** Weekly spellings will be practised in school and available on the Spelling Shed Website. Children can practise the words using the app or written if preferred. All spelling words can be found below. There will then be a test at the end of each week.

### Maths

Arithmetic practice sheets will be sent home every Friday. Please hand it in by the following Thursday.

<https://corbettmathsprimary.com/content/> can also be used for extra maths practice.

**Optional Activities:** These are some ideas for some extra activities you could do in exchange for dojo points.

Grammar - Log into Rollama and complete some grammar activities

<https://www.rollama.com/login/>

Geography – We will be finding out about Fair Trade. Can you make a poster that tells people why they should try to buy products that are fair trade?

Science – we are learning about the circulatory system. What can you find out about the circulatory systems of animals? What is the same and what is different to humans?
