£2 per child

£1 for nursery children as parents have to stay

**Nursery
children
learning
about teeth
and counting
in the
construction
area**

Weekly cup winners

Breakfast Club Parking

Please may we request that when dropping off your children at Breakfast Club in the mornings that you park on the street.

Unfortunately, at the time when you would be dropping off staff are arriving and also the car park is used by refuse collection vehicles and kitchen delivery vehicles who work to a strict time-scale and we would like to avoid accidents.

If anyone has lost an amount of money on the school grounds, please contact the school office stating how much you have mislaid, as it is currently being stored in the school safe. This was found outside the hall on 23rd January

Widewell Eco Warrior News

Our school eco warriors meet every 3 weeks to discuss how we can make our school a more environmentally friendly place. These are some of the items we have been discussing lately:

Assembly on eco bricks

The year 6 Eco Warriors spoke to the whole school in assembly about eco bricks. They explained what an eco brick was and how to make them. If you would like more information on making your own eco brick at home please visit <https://www.ecobricks.org/how/>

Litter Picking

Some eco warriors volunteer to pick up litter in the school grounds. We do this to look after our school environment and to prevent wildlife being harmed. Please help us to look after our school grounds by using the bins provided or taking your litter home.

Silver award

We are working hard towards our Silver Eco Award and hope to submit our application in the Spring. If you have any ideas or concerns for our eco warriors to take action on, please let them know.

Plastic in lunchboxes

Well done to all of the children (and parents) who are trying to reduce the amount of plastic that is used in a packed lunch. Some children are using reusable wrap or foil instead of cling film. A flask is always better than a single use bottle or carton (and it is cheaper too).

Printer cartridges, batteries crisp packets

We have recycling points in school for all of these things. Please send in printer cartridges and batteries from home. Our crisp recycling box is available every lunchtime for children to recycle their crisp packets from lunch.

Bird feeders

We would like to put more bird feeders up around the school. If you have an old bird feeder, please send it into school where we can use it in our grounds.

The Widewell Eco Warriors
